#664

## Aloe Bio-Cellulose Mask

Deeply replenish skin with powerful hydration

Forever's aloe bio-cellulose mask provides potent, energizing hydration using forward-thinking technology and natural ingredients. At the heart of this next-level mask is a bio-cellulose fiber. This material easily fits every contour of your face, allowing the mask to penetrate deep into fine lines and wrinkles traditional sheet masks fail to reach.

The aloe bio-cellulose mask provides dual-phase benefits. Through a process unique to Forever, a special bacteria naturally ferments inner leaf aloe vera gel from our own fields with seagrass, which is part of the mask material, then fuses them into bio-cellulose fabric to soothe, soften and condition skin. In addition, a serum enriched with green tea and horse chestnut seed extract rejuvenates skin for a more youthful-looking appearance and soothes to reduce the appearance of redness. The addition of meadowfoam seed oil softens skin while jojoba oil provides moisture.

Our bio-cellulose mask is easy to use and requires no rinsing. Simply massage the remaining serum into your face and neck for a feeling of powerful hydration.

SKIN CARE

### FAST FACTS

- Rejuvenates skin for a more youthful-looking appearance
- Soothes skin and reduces the appearance of redness
- Unveils soft, supple skin for a complexion that glows

Gluten Free

Suitable for Vegans

Suitable for Vegetarians

### CONTENTS

3 individual masks 0.88 OZ. (25 g)

### DIRECTIONS

- Open pouch and unfold mask.
- The mask is protected by a woven fabric on each side.
- Remove one layer and discard it.
- Apply the mask to the face. Gently press to ensure it fits securely.
- Remove the second layer of woven fabric and discard it.
- Remove and discard the mask after about 20 minutes.
- No need to rinse. Massage remaining product into face and neck for a youthful appearance.
